

PAWAR PUBLIC SCHOOL

SUMMER VACATION READING

(A golden opportunity for the young ones to enhance their reading skills)

We would like to encourage our young readers to make use of the library during the vacations.

- The library will be open from Monday to Saturday from 9:00 am to 1:00 pm during vacations (April 17th to June 5th 2010).
- Children can read in the library from 9:00 am to 1:00 pm, with their parents.
- Two books **ONLY** (not reference books) can be issued on the child's name, at a time for home reading. It should be returned on the due date.
- All rules of the library have to be followed, including payment of fines.
- Silence should be maintained in the library.

Parents of children from Std. IV onwards should encourage their wards to write reviews of books that they have read. These can be submitted to their previous class teachers when school reopens. The best reviews from each class will get prizes.
